

Dr Stephen M Eppel
Testimonial from Memphis TN

Dr. Steve Eppel is not only a highly skilled surgeon, he is a true gentleman and dearly beloved by all his patients. 2 Years after his departure from our practice, not a day goes by without a patient asking how he is doing, which is a testament to his caring, and the dedicated manner in which he practices the art of medicine.

In the 15th century, Ambrose Pare, stated that a physician “ should cure sometimes, relieve often and care always. “. This is Steve Eppel !

He is a great doctor, a great friend, and a great human being. We miss him daily.
